

Speaker Release Form

For Re-Use of Materials in Presentations and on STP Website

In order for STP to make education material available to STP membership, you must obtain permission from the authors or creators to use any of their materials that may be a part of your presentation. For instance, if you use photographs, graphics or text from others, you may need permission from them to use those materials so that we can make your presentation materials available to our membership. Please use the form on the following page to request permission from the rights holders for such materials (usually the publisher and/or author).

Release Form Instructions

1. Fill in the addresses of the presenter (your address, if you are the presenter) and the copyright holder, and provide a description of the material in the presentation. You will need to complete a form for each copyright release you are requesting.
2. Send the form to the rights holder and request that they review, sign and send the form back to the presenter.
3. Once the presenter receives the signed form from the rights holder, the presenter has authorization to use the specified material. Please note that you may be assessed a fee.
4. Maintain a copy of the release form for your records, and attach a copy of the release to your Permission Agreement and Release Form, and mail, fax or email a copy to STP headquarters.

Under certain circumstances, you may not need to obtain permission to use materials authored by third parties. For instance, use of copyrighted material may be considered ‘fair use’ under U.S. copyright law. However, the scope of ‘fair use’ rights under U.S. copyright law is not easily defined and should be considered in determining if the material in your presentation requires copyright release. Please see <http://www.copyright.gov/fls/fl102.html> for more information.

Please note the distinction between the Speaker Release Form and the STP Permission Agreement Form. The Speaker Release Form is for you to arrange to use materials from others; it must be signed by you and the permission grantor. The STP Permission Agreement Form grants STP the right to use your course materials.

I further represent and warrant that, should my Materials require permission or authorization for use by STP, I will obtain all authorizations necessary for the use by STP specified above from the copyright or other proprietary rights holder(s) of such right(s)* and attach said permissions to this Permission Agreement Form.
